

# DAMPIER ARCHIPELAGO & KARRATHA HELICOPTER FLIGHTS 2018

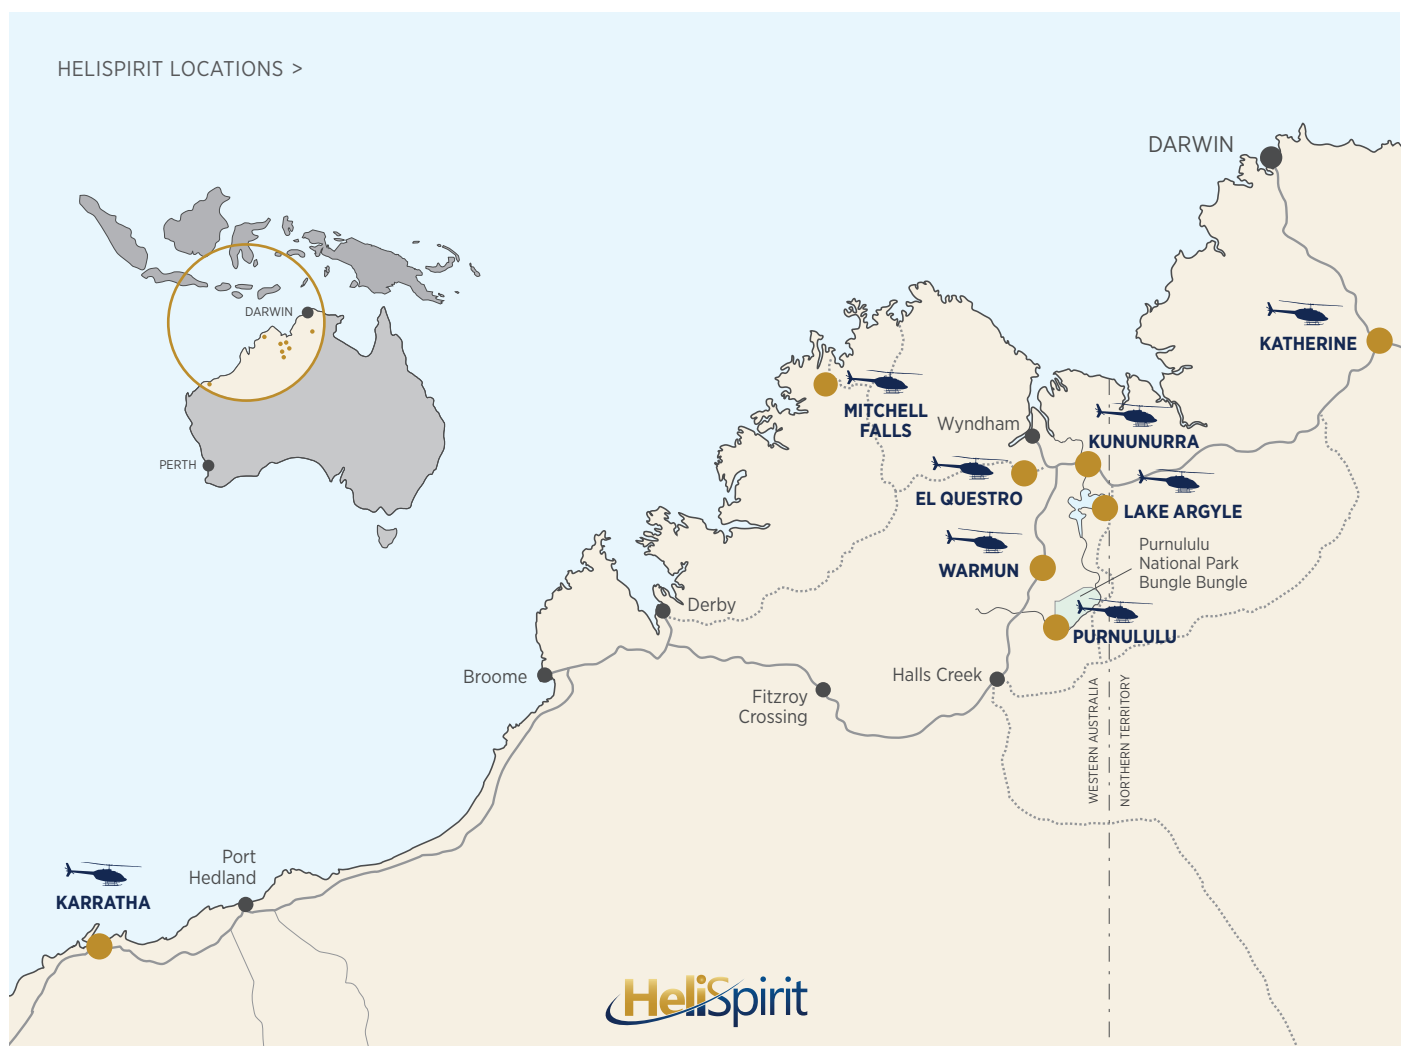

## ABOUT HELISPIRIT

We are renowned for our commitment to professional helicopter services to a diverse range of industries. We specialise in tourism, having operated scenic helicopter flights since 1984. We operate in the Pilbara, the Kimberley and the Northern Territory where we service tens of thousands of tourists each year from April – October.

HeliSpirit operates a fleet of 20 helicopters which are based at Karratha, Kununurra, Warmun, Purnululu National Park (Bungle Bungle), Mitchell Falls, El Questro, Lake Argyle Resort and Katherine. Locally owned, the multi-award winning HeliSpirit is the specialist when it comes to discovering Australia's north by helicopter. We hold National Tourism Quality Accreditation and International Eco Tourism Certification. Call our friendly staff to chat about the region and discuss the best flight for you.

HeliSpirit has partnered with local cultural tourism operator, Ngurrangga Tours. The Pilbara is over 2.5 billion years old and Aboriginal people have lived here for more than 40,000 years. Ngurrangga Tours takes you on a journey to discover ancient rock and the stories of this country. Murujuga National Park (the Burrup Peninsula and surrounding islands) has the highest concentration of rock art in the world.

# FROM KARRATHA

- Flights depart from Karratha Visitor Centre
- See picturesque beaches and raw, rugged Pilbara landscapes
- An abundance of marine life
- See the thriving iron ore and LNG industries from above

## P18 | KARRATHA & NICKOL BAY HELICOPTER FLIGHT

Flight time: 18 minutes | Cost: \$195 per person

Take off over the city of Karratha following the curve of Nickol Bay featuring the popular swimming spot, Hearson's Cove. You will then fly past the thriving transport hub of the Pilbara iron ore and LNG industries. See the ammonia plant and the many salt lakes that are an impressive sight from the air. Following the coastline you may even see glimpses of marine life that reside in the very lively bays and ocean channels!

## P30 | BURRUP PENINSULA & ANGEL ISLAND HELICOPTER FLIGHT

Flight time: 30 minutes | Cost: \$325 per person

On departure, orbit the city of Karratha before heading up the coast of the Burrup Peninsula. Fly past Hearson's cove and onwards toward sea ripple passage. View the picturesque islands of the Dampier Peninsula, including Angel Island and Dolphin Island. The Burrup Peninsula is home to some of the oldest and most plentiful aboriginal rock art in Australia. Marine life abounds all the way, with manta rays, turtles, dugongs and more. Flying down the western side of the Peninsula you will see the LNG and iron ore industries in full swing and then the main salt lakes before heading back to Karratha.

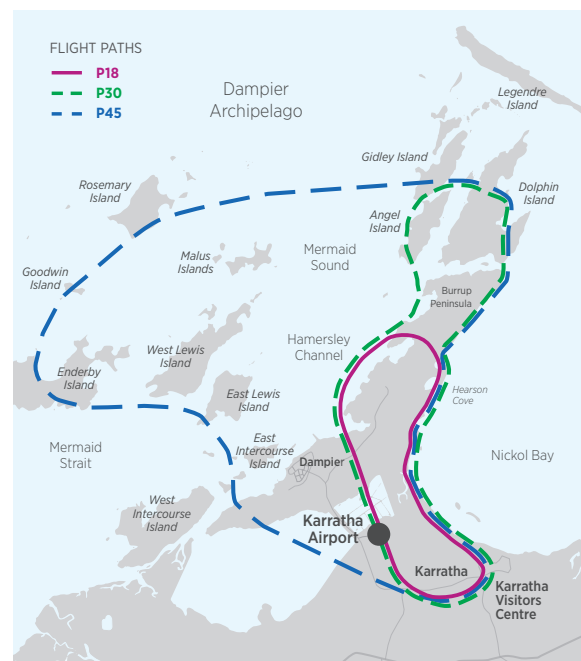

## P45 | DAMPIER ARCHIPELAGO ISLANDS HELICOPTER FLIGHT

Flight time: 45 minutes | Cost: \$495 per person

Fly over a chain of 42 islands in the Dampier Archipelago with picturesque sandy white beaches, within the raw beauty of the rugged Pilbara landscape. It is not uncommon to witness an abundance of coastal wildlife such as turtles, manta rays, dugongs, dolphins, schools of fish, birdlife... you may even see a whale or two! Fly over the clear blue ocean to the pristine white sand beaches on the many islands west of the Burrup Peninsula. These islands are a haven for the locals and it is clear to see why! A lot of marine life, especially turtles, as well as bird life choose to make their nests here. The port of Dampier greets us as we make landfall again, the ships of the iron ore and LNG industries being filled by the many trains connecting Karratha to the heart of the Pilbara.
